Golden Partners

Dear Golden Partners Traveler,

I am pleased to present to you the 2017 Golden Partners Travel Brochure. Our 2016 was an interesting year for the travel industry and already for 2017 we are seeing an increased interest in travel. Please take a moment to browse through this brochure and see what new adventures are coming your way.

I am excited to be rolling out a new line of trips I am calling **The Weekender**. The Weekender trips will depart on a Friday and return on Sunday. They will be designed to give you a little more free time, but will include group activities as well. I am hoping this will give those of you still working or those who have other obligations a chance to get away for shorter travel opportunities.

As promised, for those of you who can only be away for the day, I have added a few new day trips, but kept our favorites, such as Churchill Downs and the Derby Dinner Playhouse. These trips generally sell out, so don't delay in getting in your registration and deposits. And, of course, for those of you who delight in extended travel destinations, you will find opportunities for that as well.

I look forward to traveling with you and I hope that you will join Golden Partners for some (or all) of these exciting travel adventures. On behalf of Owensboro Health, I thank you for your continued support of the Golden Partners program!

Sincerely,

Melinda

Frequently asked questions:

What does Seat reduction date mean?

This is the last date the airlines will hold empty space for me. If you have not registered by this date there is no guarantee of space. It then becomes first come first served.

Why do we have to make deposits so early?

Deposits are required to reserve your space on the coach or airplane. Also the uniqueness of some of the activities on a trip requires an early deposit to hold space. Many places now require groups to pay in full at least 2 months out from the trip.

Why are single rooms so much more expensive?

Most hotels set a price for a room. The cost of this room is then divided by the number of people in that room. If you are rooming alone then the expense of the room is all yours.

What if there are more than 2 of us who would like to room together?

In most situations we are able to accommodate up to 4 people in a room. Just ask if you'd like the pricing for that.

Can I make installment payments?

Yes, except on trips under \$100. All trips over \$100 can be paid through monthly installments, as long as the last payment is made by the final payment date.

Life was meant for good friends and great adventures.
