

## BIRTH TISSUE DONOR SERVICES®

---

In partnership with **Owensboro Health Regional Hospital**, Birth Tissue Donor Services is now offering expectant moms the option to donate their birth tissue after the safe delivery of the baby. This tissue is used to create lifesaving, life enhancing grafts.

Available at

**Owensboro Health  
Regional Hospital**

### **VOLUNTARY DONATION OF BIRTH TISSUE**

Birth tissue is typically discarded as medical waste.  
Your new beginning gives patients in need the gift of healing.

#### **Enhanced patient recovery using birth tissue treatment:**

Promotes healing | Reduces pain | Minimizes infection | Minimizes scarring
