**"My child was so scared**  
when we got to the hospital for  
her surgery, until she saw the  
teddy bear sitting on the bed.  
She said, 'Mommy, is this bear  
here to take care of me?' She felt  
safe because of that little bear.  
She still sleeps with it."

# Your gift can help light the way and brighten the lives of those in need.

Honor a loved one while touching the lives of some of the most vulnerable in our community through *Lights for Life*.

We invite you to participate in Lights for Life by making a gift in honor or in memory of a loved one. Your gift will help provide various patient assistance programs, and a card will be sent to the person of your choice, notifying them of your tribute.

The name of the person you honor or memorialize through a light will also be displayed in the Lights for Life Online Tribute Book at [OwensboroHealth.org/LightsforLife](https://OwensboroHealth.org/LightsforLife) and will appear in the Messenger-Inquirer on December 17.
