

Procedure: Pill Cam

Please arrive 30 minutes prior to your scheduled procedure time. You **do not** need someone to drive you because you will not be receiving anesthesia for this procedure.

Enter the hospital through parking lot A. Take the elevators in the front entrance of the hospital to the 2nd floor, then turn right. Follow the signs to Surgery Check In.

THE DAY BEFORE YOUR PROCEDURE

- Start clear liquids at supper
- Drink (1) bottle of Magnesium Citrate at 8:00PM
- **DO NOT EAT OR DRINK ANYTHING AFTER MIDNIGHT**

THE DAY OF YOUR PROCEDURE

- (2) hours prior to arriving, drink (2) bottles or (4) tablespoons of Mylicon gas drops with (4) ounces of water.

You **will be** asked to return the equipment back in once passed. You will return the equipment at the outpatient surgery waiting area if between the hours of 6AM-6PM Monday thru Friday. If outside of these hours, please drop your equipment off at the main desk in the front lobby.

Please wait at least 10 days for your results
