

MEDICAL LABORATORY SCIENCE PROGRAM
OWENSBORO HEALTH REGIONAL HOSPITAL
OWENSBORO, KENTUCKY
Phone 1-(270)-417-6521

INSTRUCTIONS FOR APPLICANTS

1. Arrange with the Registrar of your college to forward one transcript (completed courses and courses in progress) to:

Carrie Wimsatt, MPH, MLS (ASCP) SBB
Program Director
Medical Laboratory Science Program
Owensboro Health Regional Hospital
1201 Pleasant Valley Road
Owensboro, Kentucky 42303
2. Only those students in CAHEA accredited programs who have completed their education in a foreign country and will not be awarded a U.S. baccalaureate degree from a regionally accredited college/university are required to submit a transcript evaluation verifying U.S. baccalaureate degree equivalency. Please contact the Board of Registry for a list of acceptable evaluation agencies for foreign transcript evaluations.
3. Complete the attached application and return to the Program Director at the Medical Technology Program.
4. Contact references and request that letters be sent to the Program Director.
5. Any test scores, such as SAT or ACT that you have would be helpful, so please include these or have them sent to the program.
6. Arrangements for an in person interview should be made with the Program Director of the program and will be held at the hospital.
7. Upon receipt of all necessary data, your application will be reviewed and you will be notified in writing of the Admissions Committee's decision. If you are accepted, you must reply immediately indicating your intentions to join the next class or not.
8. Applications must be in by **December 15th** and classes will be selected by February 15.
9. Tuition for the program is \$1500.00.
10. A student may withdraw from the program at any time. In order to withdraw from the program, the student must submit a written request to the Program Director.
11. Successful completion of the year will result in 30 – 36 credit hours, depending on the student's college/university as applicable.

PREREQUISITES FOR ADMISSION

Before admissions to a hospital-based program, a student must have acquired a minimum of 90 semester hours (135 quarter hours) of academic credit. The following courses or their equivalents are prerequisites for admission to hospital-based programs:

CHEMISTRY

A minimum of 16 semester hours (24 quarter hours) is required.
General Chemistry and Organic chemistry must be included.
Quantitative analysis and biochemistry are recommended.

BIOLOGICAL SCIENCES

A minimum of 16 semester hours (24 quarter hours) is required.
Microbiology must be included in the curriculum.
Genetics and Anatomy & Physiology are strongly recommended.
Immunology is strongly recommended

MATHEMATICS

One course in mathematics is required.
Minimum requirements are met by courses recognized as prerequisites for admissions to physics courses.
Courses in Probabilities & Statistics are **strongly** recommended.

The content of chemistry and biology courses must be acceptable towards a major in those fields of study. Survey courses do not qualify as fulfillment of chemistry and biological science prerequisites.

Owensboro Health Regional Hospital Medical Laboratory Science Program is affiliated with the following schools:

Western Kentucky University - Bowling Green, Kentucky
Kentucky Wesleyan College - Owensboro, Kentucky
Brescia University - Owensboro, Kentucky
Campbellsville University - Campbellsville, Kentucky
Southeast Missouri State University - Cape Girardeau, Missouri
University of Southern Indiana - Evansville, IN

A minimum grade point average of 2.5 is required. Preference is given to students from our affiliated schools.

This program will not discriminate in the nomination, selection and training because of race, creed, color, national origin, gender, or disability.

(Revised – August 2020)

OWENSBORO HEALTH REGIONAL HOSPITAL
MEDICAL LABORATORY SCIENCE PROGRAM
ESSENTIAL FUNCTIONS

The essential functions (non-academic) established by the program are evidence of the "essential functions" that must be able to be accomplished by the students in the program. Essential functions include requirements that students be able to engage in educational and training activities in such a way that will not endanger other students or the public, including patients.

STANDARDS

FUNCTIONS

- | | |
|---|---|
| 1. Sufficient use of the sense of vision to obtain accurate readings and complete reports accurately. | The student must be able to read charts and graphs, read, instrument scales, discriminate colors, read microscopic materials, and record results. |
| 2. Sufficient use of speech and the sense of hearing to be understood by others and to understand others. | The student must be able to communicate effectively and sensitively in order to elicit Information. Must be able to address non-verbal communication and be able to adequately transmit information to all members of the health care team. |
| 3. Sufficient fine motor function and coordination to perform tasks procedures, involved in the functions with safety and accuracy | The student must be possess all skills necessary to carry out diagnostic manipulate tools, instruments and equipment. Must be able to perform phlebotomy safely and accurately. |
| 4. Sufficient psychological stability and knowledge of techniques/ resources to be able to respond quickly and efficiently in order to minimize dangerous consequences. | The student must possess the emotional health required for full utilization of the applicant's intellectual abilities. Must be able to recognize emergency situations and take appropriate actions. |

I have read and do understand the essential functions listed above. I believe I can meet these essential functions.

ADVANCED PLACEMENT POLICIES

Students with advanced coursework or experience will be permitted to take a challenge examination in both the didactic and clinical areas to determine if he/she will be permitted to receive credit for that particular course. The student must receive a grade of 70% or higher on the written didactic examination to pass the course. The student also must satisfy all clinical objectives by demonstrating the same entry level competencies of students who have successfully completed the entire clinical year. This will be determined by the clinical instructor of the area in conjunction with the Program Director.

The Medical Laboratory Science Program at
OWENSBORO HEALTH REGIONAL HOSPITAL
is accredited by:

National Accrediting Agency for
Clinical Laboratory Sciences
5600 N. River Rd. Suite 720
Rosemont, IL 60018-5119
(773)714-8880

(773)714-8886 (FAX)

You may contact the Program Director at: (270)417-6521 or via email at
carrie.wimsatt@owensborohealth.org

INSTRUCTIONS TO APPLICANT: This form is to be given to two science professors and one personal reference (a former/current employer, coach, etc). Three evaluation forms are required for all applicants.

INSTRUCTIONS TO REFERENCE: Please complete the following evaluation concerning the student indicated below in consideration of their application to the Medical Laboratory Science Program at Owensboro Health Regional Hospital.

NAME OF APPLICANT: _____

I do I do not waive my right to subsequent access to this form. _____
 Signature of Applicant Date

	Exceptional	Outstanding	Good	Average	Fair/Poor	No Occasion to Observe
Intellectual Capacity						
Capacity for Independent Thinking						
Ability to Communicate Ideas Orally						
Ability to Communicate Ideas in Writing						
Emotional Maturity						
Perseverance & Tenacity						
Efficient Utilization of Time						
Motivation & Initiative						
Integrity						
Potential Compared to Other Students						
Potential as a Scientist						
Interaction with Peers						

How long and in what capacity have you known this applicant? _____

In the space provided below, add any additional comments or observations concerning this applicant. May use the back if necessary.

Signature of Reference: _____ Date: _____

Position and/or Title: _____

Evaluation forms should be sent directly to: Carrie Wimsatt, MPH, MLS(ASCP)
 Program Director, Medical Laboratory Science Program
 Owensboro Health Regional Hospital
 1201 Pleasant Valley Road
 Owensboro, KY 42303
