

For All The Helpers

You Bringers of Heaven
You Peacemakers
Christ-bearers
Life givers,
You who bear
the living waters
that quicken the hearts
and awaken the spirits
of weak and weary souls.

You Breaker of chains
You Healers of the sick
Transformers
Givers of hope
Empowering
the poor, and disenfranchised.
You lighten the load
and ease the hearts
of humble and gentlefolk.

Thank You.

For You are the hands and the heart and the feet
of Christ in this world.

You are the Light of the world
and the Salt of the earth
and the Glory of God that heals whole.
